STREAMROCK CHRISTIAN COLLEGE

A NAME SYNONYMOUS WITH ACADEMIC EXCELLENCE AND DISCIPLINE

Our Leadership

Mr. H. Mushandu

Co-Founder & Academic Director. One of Zimbabwe's most experienced academic leaders.

Career Highlights

His career in education began in 1983 and has taken him across government, mission and private schools. Over the years, he has excelled both in the classroom and in school leadership.

He spent his early teaching years at Rusununguko High School and the prestigious St. Ignatius College. He subsequently progressed into leadership, serving as Headmaster at Beatrice High School, Kambuzuma High 2 and Hatcliffe High School. He later joined Riverton Academy, where he dedicated nearly two decades to educational leadership, initially as Headmaster and later as Director of Academics and Student Welfare.

Discipline, excellence and care: the foundations of a Streamrock education.

40+ Years of Service

Proven leadership at every level, from the classroom to the head's office. At Streamrock, that experience means high expectations and strong support for every student.

Cambridge Excellence

A distinguished track record of excellence in Cambridge International examinations, with deep institutional knowledge spanning curriculum design, student achievement and pastoral care.

His Philosophy

'No child left behind'. Every student deserves the opportunity to realise their full potential. His career has been defined by results and by the lives he has transformed.

STREAMROCK CHRISTIAN COLLEGE

STEADFAST FOUNDATIONS, ENDLESS HORIZONS.

Critical Thinking

We develop critical and creative thinking through a wide and enriching curriculum that challenges every student to reach their full potential.

STEM for All

We promote STEM education and equal access to science and technology excellence for students of every background. We are a co-ed school, with limited places for girls and Form 2 from 2027.

We provide steadfast foundations for high school students, ensuring they realise endless horizons in pursuit of their ambitions.

Our Mission

To provide steadfast foundations for high school students, nurturing discipline and academic excellence as they pursue their ambitions and realise endless horizons.

Our Goals

Provide a lifelong education that produces academically, socially and culturally capable graduates. Deliver a holistic, internationally recognised education grounded in Christian principles.

Inclusivity

We promote tolerance, inclusivity and religious diversity, nurturing a community where every student is valued, respected and empowered to thrive.

Subjects Offered

Our Cambridge syllabus covers a broad and rigorous range of subjects:

- English
- Mathematics
- Biology
- Physics
- Chemistry
- Geography
- Accounting
- Computer Science

Our excellent student-to-teacher ratio will ensure every learner receives personalised attention and guidance to excel academically.

We offer the Cambridge International curriculum, equipping students with globally recognised qualifications and skills to pursue endless horizons.

Kitchen & Dining

We aim to serve balanced, freshly prepared meals from our well-equipped kitchen, supporting each learner's health, growth and academic performance and introducing them to a broad variety of local and international dishes.

Student Hostels

We intend to provide secure, well-supervised boarding facilities that offer a comfortable home away from home, fostering discipline and a strong sense of community.
